**A National Thank You Movement
Supporting Our Troops and their Families**
Coastal Cosmetic Family Dentistry hosts Freedom Day for 5th year.

Bolivia, NC – September, 2017 – Coastal Cosmetic family Dentistry announced today that it will host a Freedom Day event for the 5th year in support of our military. On Thursday October 12th, Drs. Tony Michelakis, Aaron Wilharm, Darren Harrington, Matt Miller, Greg Hohl, Mark Dobransky and Cecilia Liu and their staff will provide free dental care for active military, their families and veterans by appointment at the Bolivia and Oak Island locations.

Businesses across the United States will join in Freedom Day USA, a National Thank You Movement for the members of our military and their immediate families, along with Veterans. After all, they have missed birthdays, graduations, anniversaries and more. Military family members have constant worry for their loved ones' safety and make daily sacrifices that most Americans cannot imagine. To show appreciation, each business participant is providing a thank you gift, in the form of free services, goods, discounts, and various other offers. A complete list of local participating businesses and the services they are providing can be found on www.FreedomDayUSA.com

Dr. Aaron Wilharm and Jackie Pappas, Director of Community Relations will organize business participation in **Brunswick County**. All businesses are welcomed to participate.
