Brunswick County Gets Ready to Smile!

Bolivia dentist set to host 7th Annual 'Dentistry from The Heart' providing FREE dental care to community.

Bolivia, NC – March 26, 2018 – Coastal Cosmetic Family Dentistry announced today that once again this year they will be hosting their 7th annual 'Dentistry from The Heart' event at the Bolivia office on Friday May 4th. Drs. Michelakis, Wilharm, Harrington, Miller, Hohl, Dobransky and Liu and their staff will provide free dental care for over 200 patients on this special day. **Dental services will once again be provided to the community for free on a first-come, first-served basis at their Bolivia office.** "It all comes down to wanting to provide something greater to our community," said Dr. Tony Michelakis, "services provided at 'Dentistry from The Heart' reach beyond a patient's teeth, it gives them a renewed reason to smile."

Last year, the dentists of Coastal Cosmetic Family Dentistry, volunteers and sponsors provided 202 patients with a free extraction, filling or cleaning. To date, Coastal Cosmetic Family Dentistry has donated over \$300,000 in free dental care to more than 1,000 Brunswick County residents through this annual event. Community Relations Director, Jackie Pappas, noted that "support from the business community for this event grows each year as does the line of patients beginning in the wee hours of the night before the event", and that "**our goal is for every patient treated at 'Dentistry from the Heart' to feel special and welcomed. Support from the business community helps us to provide the best possible experience for them.**"

In 2001, New Port Richey dentist Dr. Vincent Monticciolo created 'Dentistry from The Heart' as a way to give back to his community by providing aid to the growing number of Americans without dental insurance.

The media is invited to join Coastal Cosmetic Dentistry on May 4, 2018 as they open their hearts to spread free smiles across Brunswick County. The event begins at 7:30am at the Hwy 211 office: 3071 Southport-Supply Road, Bolivia, NC. For more information please visit
